VOLUNTEERING:

Volunteering is one of the most important things you can do to get involved at KGNU. Our volunteers are the backbone of our operations and are essential in maintaining the station.

All on-air volunteers complete basic radio training classes and produce a demo disc for the music director or news director. On-air volunteers are expected to contribute at least one hour behind the scenes for every four hours on air.

To get started, attend an orientation meeting the first Thursday of every other month, at either the Denver or Boulder studio. You will then be included on an e-mail list to see volunteer opportunities.

OUR MISSION

KGNU is an independent, non-commercial community radio station licensed in Boulder and Denver and dedicated to serving its listeners. We seek to stimulate, educate and entertain our audience, to reflect the diversity of the local and world community, and to provide a channel for individuals, groups, issues and music that have been overlooked, suppressed or under-represented by other media. The station seeks to expand the listening audience through the excellence of its programming without compromising the principles stated here.

Become a S.O.L.R member by contributing to KGNU regularly, through monthly bank transfer. This is the easiest and most sustainable way to support the programs you love!
